Behaviours:

- **Planning and Organising** Understands own and business priorities. Plans effectively and monitors progress towards achievement of plans. Investigates possible challenges and develops solutions.
- **Customer Focus** - Proactively seeks customer feedback and uses this to shape strategy ensuring the customer remains at the heart of business decisions. Develops their team to deliver an environment which makes their store a great place to buy.
- **Commercial/Business Awareness** - Demonstrates a strong understanding of the business and uses knowledge to identify opportunities to increase sales. Keeps up to date with competitor activity and wider market trends.
- **Drive and Motivation** - Creates an environment where teams are encouraged to achieve results and exceed goals. Always ensures results are driven by the Toolstation proposition. Anticipates obstacles and is prepared with solutions so as not to slow down in achieving the agreed goals.
- **Decision Making** - Balances analysis, wisdom, experience and perspective when making decisions. Balances risk and opportunity equally. Thinks clearly and strategically under pressure. Quickly sizes up multiple situations and complex problems and makes excellent, timely decisions

- **Drive for results and efficiency** – Effectively implements initiatives to achieve operational efficiency. Creates an environment in which all systems and processes are delivered by the team to support high levels of efficiency.
- **People management** - Coordinates work to maximise individual strengths and addresses areas for development. Optimises diversity among team members to build strong teams with complementary strengths. Coaches, challenges and provides opportunities for growth. Proactively plans for recruitment and development of own team. Encourages an environment of openness, trust positivity and engagement.
- **Resilience** - Has relentless determination to achieve results whatever the challenges and the ability to coach their teams to help them work successfully and deliver in challenging situations. Takes responsibility, shows resilience, learns from mistakes and provides clarity for others
- **Developing others** - Follows progress and provides longer-term training: Gives constructive feedback that focuses on problems and behaviours rather than personalities. Reassures others after a setback and gives personalised suggestions for improvement.
